**Summary of reasons
for classification:**

The DVD entitled *Contract Cover Girls – Mary Carey* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The DVD was submitted to the Classification Office by an Inspector of Publications for the Department of Internal Affairs. The DVD contains a feature which comprises eleven separate and unrelated scenes of explicitly depicted sexual activity predominantly between men and women, but also between women only.

The DVD contains some content of a degrading, demeaning and dehumanising nature but not to the extent that its availability is likely to be injurious to adults. Younger persons may be negatively influenced by exposure to the material, as they are unlikely to have the necessary maturity or experience to place the images within the fantasy context intended. Restricting the availability of the publication to adults will limit any likely injury.

An age restriction of 18 years will interfere with the freedom of expression as set out in Section 14 of the New Zealand Bill of Rights Act 1990. This limitation is demonstrably justified, however, given the likely injury to the public good from the publication's potential to adversely affect children and young persons.
